

DECLARATION OF MINOR**WESTFIELD STATE UNIVERSITY
OFFICE OF THE REGISTRAR**

A student may include a minor in an academic area different from the major as part of his/her course of study. Please refer to the current Bulletin for more details.

Students may declare a minor at any time, regardless of the number of credits completed toward the minor. Declaring the minor early will help student gain access into courses with major/minor restrictions.

The Registrar, in consultation with the Academic Department Chair, will certify the minor as completed upon graduation along with all other requirements.
